About us

Viva Credit Ltd. is a water heavenly financial institution licensed by the BNB established in 2012.

Leader in consumer lending and part of the international financial group **Management Financial Group**, which provides water to celestial financial institutions in Central and Eastern Europe.

The company has a well-developed network of financial centers with **59 own offices throughout the country** and a number of partner sites. In the last year, the company has relied heavily on the development and communication of its alternative application channels - online and telephone.

In addition to its own channels, **Viva Credit works with a wide portfolio of partners** who offer products both in offices and online.

The company's products are tailored to the needs of all who value their time, have an urgent need for money and do not want to wait.
