DEVELOPMENT PLAN

Short-term plan

- Providing additional funding to the Company from PEER TO PEER lending platforms.
- Expansion of the client base and the loan portfolio, while preserving the net interest income.
- Increasing the agricultural loans in Macedonia, in order to support Agriculture in Macedonia.

Long – term plan

- Providing additional and cheaper financing of the Company like investment funds
- Conversion of the Company into a public company by listing on the Macedonian Stock Exchange with the aim of transparency: recognition, media coverage and better access to capital and strategic partners.
